JUNIOR PATHWAY

From Woolworths Cricket Blast through the Junior Cricket stage, all kids can advance their skills and discover how awesome it is to be part of a team through fun game-based activities. The stages have been developed based on academic research, testing and community feedback.

This includes consideration for physical, mental and emotional development.

Participation and progression through the stage is based on ability level, therefore the ages are indicative only. Players are encouraged to participate at a stage appropriate for them.
